

# Stream Discovery Report

Deep insights on your holistic profile and recommended stream paths according to your strengths.

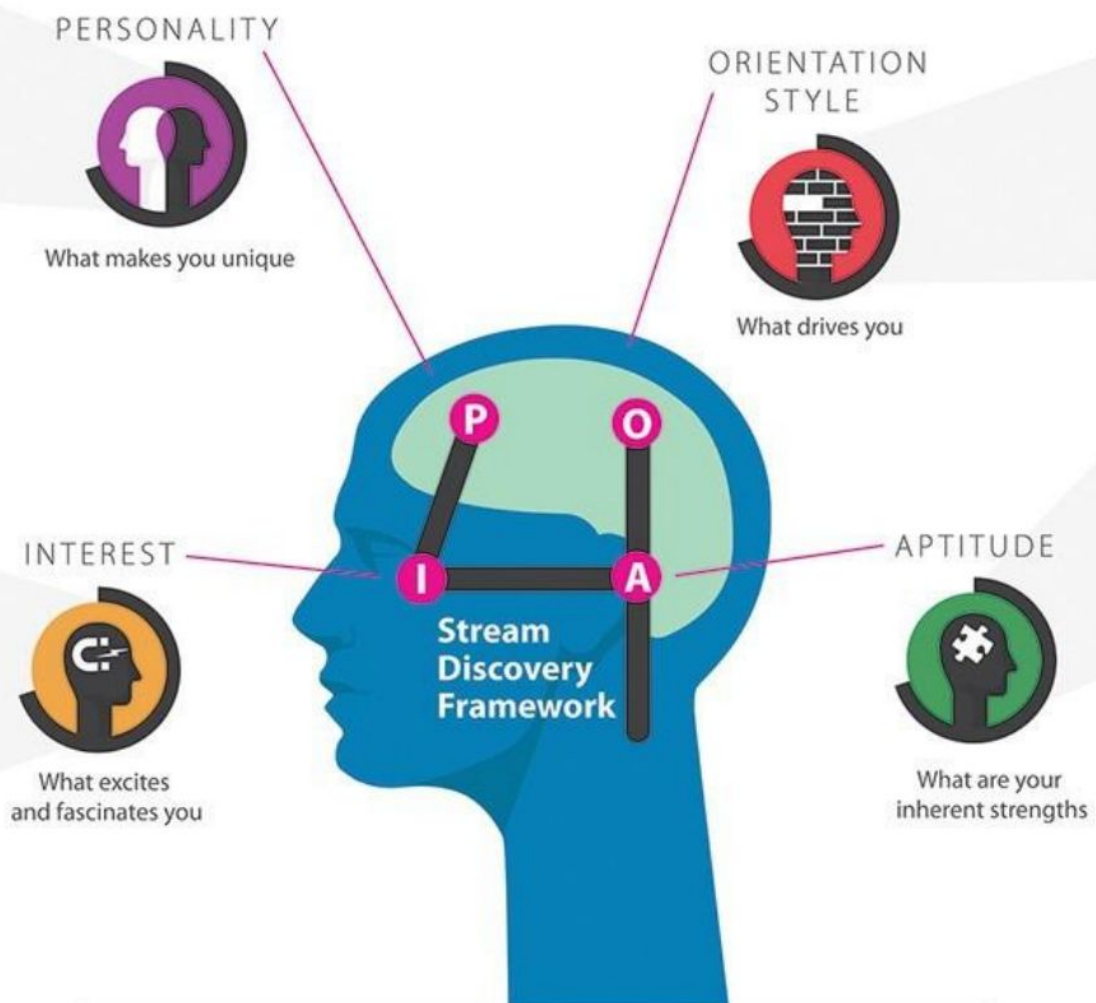

Name:  
Class: 9th

## Stream Assessment Framework

Congratulations on completing the Stream Assessment Framework! Your comprehensive stream discovery report is now ready to give you your best-fit stream matches.

Our award-winning career guidance framework and assessment tool have been developed by a team of some of the top psychometrists, industry experts and researchers in the world. It is the most accurate and valid career assessment, with a blend of advanced technology and millions of research data points collected from students from multiple demographics and cultures.

Our 4-dimensional framework, the first of its kind, has been tailor-made for students. These 4 dimensions together form the pillars of career guidance, and will help you make a scientific and accurate choice for career success.

Let's look at your results for each of these elements & help you discover your perfect stream.

## Your Orientation Style

### What is **Orientation Style**?

Orientation style identifies what an individual is driven by. Understanding the orientation style will help you with career decision based on your dominant style of interaction with the surroundings.

#### Your Dominant Style

#### Creative Orientation

The scores obtained on this style inventory indicate that you seek novelty and like to work with your ideas. You are curious to understand the know-how of things and their functioning. You wish to have your own ways of doing things with unique ideas. You like to feel free to create, discover and synthesize new products from abstract notions and concepts. You may prefer to work in unstructured situations where you can experiment with your intuitive ideas. You may be observed as independent, original and expressive at the workplace.

#### Your Secondary Style

#### People Orientation

The scores obtained on this style inventory indicate that you are people-oriented. This means that you like to interact with people and have an understanding of their problems and needs. You are drawn more to seek close relationships with others. Your style indicates that you will be good in tasks in which you have to lead, direct and persuade others. You cooperate well with others and can express yourself clearly. You make friends easily and are observed as trustworthy, social and helpful at the workplace.

**Your Orientation Style**

## Your Interest

What is **Interest**?

Understanding your Interest will help you identify what work areas excite you and helps you identify career options which are personally rewarding. Interest assessment explores your interest across multiple career options to find the right match which shall keep you engaged.

### Your Dominant Interest Areas

**Your Interest**

## Your Personality

### What is **Personality**?

Understanding your Personality will help you identify your consistent behavior patterns. Every individual is different due to their unique blend of attributes. Personality assessment identifies what career options suit your style and match your personal attributes.

### Your Dominant Personality Traits

**Your Personality**

## Your Personality in Detail

### Resilience

#### Meaning

Resilience is the ability to pursue chosen path despite stress, high- risk status, challenges and hardships

#### Expert Analysis

You show courage, high level of adaptability, and enhanced power of endurance under challenging circumstances. You stick to your chosen path, even though it may involve some amount of risk. You are confident to face and overcome all kinds of challenges and hardships and have the ability to bounce back. This quality further strengthens your relationship with others and makes your life enriching as well as meaningful

#### Development Plan

You have scored well in this trait

### Locus of Control

#### Meaning

Locus of Control is the individual's perception of the power they have over events that happen in their lives. People with this trait believe that they have control over their own destiny and are convinced about their own skills

#### Expert Analysis

You emphasize on building your destiny through your persistence and perseverance. Belief in your abilities and skills enables you to shine in different situations and makes you an enterprising person. You like to take responsibility, work in a team, manage people, influence others and set a path for attaining your goals. Your strong perception towards yourself is contagious and it places you on a higher pedestal in others viewpoint

#### Development Plan

You have scored well in this trait

## Your Personality in Detail

### Enthusiasm

#### Meaning

Synonymous with vitality, spiritedness & vigor, enthusiasm is having abundant or intense energy and curiosity to gather knowledge

#### Expert Analysis

You are full of excitement, optimism, curiosity & cheerfulness. You face challenges with a sense of enthusiasm that is contagious. Your inquisitiveness is endless; you continuously ask questions & persistently seek their answers. You are constantly seeking new experiences in order to grow & learn. People often seek your company, as you energize them with your presence and cheerful disposition. You are full of energy & vigor, which allows you to perform multiple tasks in the shortest possible time span

#### Development Plan

You have scored well in this trait

### Extraversion

#### Meaning

Extraversion is the ability to talk easily to others, assert viewpoints and prefer working in groups, rather than working alone

#### Expert Analysis

You take immense pleasure in social gatherings; enjoy spending time with people and dislike loneliness. You are energetic & have the ability to approach strangers with ease and can initiate conversation on a wide range of topics. You prefer working in groups rather than working alone. You eagerly share your opinions among group members and find it easy to assert yourself

#### Development Plan

You have scored well in this trait

## Your Personality in Detail

### Agreeableness

#### Meaning

Agreeableness is the ability to sympathize with others, trust them and be warm, concerned and cooperative towards them

#### Expert Analysis

You are not very optimistic about human nature. You believe that excepting few, people are generally not trustworthy, considerate or cooperative. You believe that self-interest should take precedence over the social interest in most situations. You may find it hard to genuinely empathize with most people. You easily get into conflicts with others and may find it difficult to maintain social harmony

#### Development Plan

You can increase your agreeableness level by using following strategies:

- **Try to see things from perspective of others:** This will help you better understand the behavior of other people and also the reasons why they behave in certain ways. Also check on how you would have reacted in a similar situation.
- **Accept that all people are different:** Rather than competing with others and suspecting their intentions, it is better you understand that everyone is unique. This will help you to accept different viewpoints and also maintain social harmony.
- **Different people different voices:** Everyone has a point of view which needs to be respected. Listening to these voices will help you to sympathize with them

### Team Work

#### Meaning

Team work implies including not only your views but also the views of others while working towards a common goal. It involves working collaboratively with people and maximizing the team output

#### Expert Analysis

You have an excellent ability to work collaboratively within a group in order to achieve a common goal. You strongly believe in partnerships and find it very easy to relate to others. Your outstanding communication skills allow you to effectively communicate with others as well as to develop and maintain good relations with them. While taking a decision, you consider not only your own views but also that of others. All such qualities help you to work in harmony with others

#### Development Plan

You have scored well in this trait

## Your Personality in Detail

### Perfectionism

#### Meaning

Perfectionism is the desire to strive for flawlessness and set high standards of excellence

#### Expert Analysis

Your score stands for an average desire to strive for high standards of excellence. This indicates that you sometimes complete tasks without giving much attention to minute details. You usually don't look for faults or shortcomings in your own actions as well as that of others and accept them with ease. Due to this, you compromise on the standards of excellence. You don't feel the sense of responsibility while working on a task. Due to this, the quality of your work may suffer at times

#### Development Plan

You need to develop a sense of high standards of excellence. You can do this by:-

- **Detailing:** Break down a task into smaller steps and pay attention to minute details in every step. You can reward yourself for successfully completing every step with perfection.
- **Evaluate your performance:** Be honest while evaluating your performance and work on the areas wherein improvement seems necessary.
- **Set high standards:** You should make an attempt to set high standards of excellence for yourself. This will motivate you to work hard and ultimately perform better

### Perseverance

#### Meaning

Perseverance is the determination of an individual to complete a task, irrespective of the obstacles

#### Expert Analysis

You show a high degree of determination towards achievement of a goal and strong endurance to overcome the challenges. Your dedication towards the goal persists irrespective of engaging with difficulties such as discouragement, failure, opposition, and rejections. You continue working towards the job despite the delays in success. You have good level of self-confidence and a natural urge towards hard labor

#### Development Plan

You have scored well in this trait

## Your Personality in Detail

## Practical

## Meaning

Synonymous with pragmatic, real & hands-on; practical is being more concerned with practice than theory

## Expert Analysis

You tend to hold on to theoretical assumptions and do not focus too much on its practical application. You may lose efficiency as a result of the gap between theory and practice. You also have a tendency to dismiss the role of experience and focus more on achieved qualifications. You may have many interesting ideas but they may lack realistic application

## Development Plan

You can improve your tendency of being more concerned with theory rather than with practice by following certain strategies such as –:

- **Try it out** - Hands on experience will help you in testing of assumptions and your own belief.
- **Visualize reality** - Try to visualize the practical aspects of theories in day to day situations.
- **Challenge the status quo** – Don't go by pre-set standards or assumptions. Try to challenge the existing way of doing things.
- **Functional Connect** - Develop a functional connect between theory and its practice so as to have a more realistic understanding.

## Enterprising

## Meaning

Enterprising is being assertive, confident, high on risk-taking capacity, and having the ability to persuade others

## Expert Analysis

You do take initiative to perform tasks but you lack the assertiveness needed to put across your ideas and thinking. You are not much of a risk taker and enjoy being in the zone of comfort and safety. You like being a follower rather than a leader. This does not mean that you do not stand out in situations or groups; it just means that you prefer doing things the conventional way and hence the creative and novel aspect in problem solving is less

## Development Plan

You can improve your enterprising skills through the following strategies:

- **Be willing to admit and learn from failures and weaknesses:** No one is perfect, and everyone makes mistakes. The most successful person is one who knows that the key to success is not in avoiding failures, but to learn from them. You should continue to improve yourself in every possible way.
- **Being confident:** Learning about any area/domain in detail helps you to become confident in that particular area. You can start by learning more about your hobby.
- **Maintain a positive attitude:** With a positive attitude, you are looking at the bright side of life. People are naturally attracted to you when you have a positive attitude. By being positive, you will lead a happier life, as well as be surrounded by other positive people.
- **Being passionate:** You need to be passionate about the work you do. Passion is contagious and it helps you in persuading others.

## Your Personality in Detail

### Integrity

#### Meaning

Synonymous with honesty, principled, sincerity, scruples; integrity means being honest and living by universal principles of right and wrong

#### Expert Analysis

Ethics and standards play an important role in your life. You do face moral dilemmas at time but give priority to your set ethics and are ready to face difficulty and loss. You have a clear understanding about right and wrong and you always take decisions without compromising on the set criteria. You are honest with every aspect of your life and follow one universal principle for everybody

#### Development Plan

You have scored well in this trait

### Decision Making Capacity

#### Meaning

Decision making capacity is the tendency to choose effectively from alternatives through reasoning and critical thinking

#### Expert Analysis

You have skills that enable you to take the decisions at the appropriate time. By anticipating future perspective, you are able to take decisions at the earliest possible. You evaluate the pros & cons of a situation and look for a logical approach towards decision making. High decision making capacity makes you capable to learn from the past difficulties and apply those learning in the future

#### Development Plan

You have scored well in this trait

## Your Personality in Detail

## Organizational Skills

1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---

## Meaning

Organization skill is the ability and style of an individual to structure plan and meet their goals in a systematic manner

## Expert Analysis

Your tendency to not work in a systematic and coordinated way puts a lot of stress on you when it comes to achieving tasks in a specific period of time. You are unable to utilize your time, energy, and resources, in an effective manner and therefore not able to meet your goals at times

## Development Plan

You can improve your organization skills by using the following strategies -:

- **Set specific & realistic goals.** This will help you in being more systematic and efficient, which will enable you to achieve set tasks.
- **Prioritize your work.** Learn to understand the difference between tasks that are highly important and need to be done immediately and the tasks that can be done later. This will help you do your work on time and not be stressed.
- **Set proper timelines.** When you start a task, set a realistic timeline for the completion of your task. This will make you more systematic and help you to be more structured in doing your task

## Intense Pursuit

1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---

## Meaning

Synonymous with dedication, devotion & zeal; intense pursuit is having a clear intention, aim, interest, commitment and strong desire to pursue on a chosen path

## Expert Analysis

You have a hard time maintaining your focus, passion and commitment to long-term goals. You tend to leave the task undone when the obstacles are difficult to overcome and are unable to persistently work towards a difficult task. Your initial excitement for a project soon vanes off, and your attention deviates to other exciting things happening nearby

## Development Plan

You can develop intense pursuit by following strategies:

- **Writing it down:** This is as simple as it sounds. Have well defined time bound goals. Also make a "To Do" list on daily basis, to make sure that things are getting done.
- **Prioritizing your work:** You have to make a clear distinction about what is important & what just seems to be important. Focus your energy on what is critical and needs to be done.
- **Take responsibility for your goals:** Rather than making excuses for incomplete tasks, take up responsibility and make efforts to complete them. It will be difficult for you to pursue your goals, unless you take responsibility

## Your Personality in Detail

### Moral Conformity

#### Meaning

Moral conformity implies standing by your principles & code of conduct rather than matching attitudes, beliefs, and behaviors to group norms so as to fit into the group

#### Expert Analysis

You can quickly analyze the demands and gravity of the situation and take appropriate decisions keeping in mind the principles of morality and interest of the society. Your decisions are based on fact and reasoning and not on emotions. Your decisions are not influenced by group pressure and you stand by your principles of right & wrong. You can easily withstand the group pressure if it goes against your notion of morality

#### Development Plan

You have scored well in this trait

## Your Aptitude

What is **Aptitude**?

Understanding your Aptitude will help you explore your innate strengths. Every individual has a unique area of expertise and their own forte. Aptitude assessment predicts what is your innate ability and potential and helps you find career options that are in sync with your aptitude.

### Your Dominant Aptitude Strengths

**Your Aptitude**

## Your Aptitude in Detail

 Abstract

1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---

## Meaning

Ability to work with new concepts, abstract ideas & recognizing patterns and similarities

## Expert Analysis

You scores reflect that you are moderately skilled at working with new concepts, abstract ideas and recognizing patterns and similarities between them. Your scores also indicate that you are able to recognize the similarities and differences between ideas, or concepts which are not necessarily related at an average level. You are able to work out new concepts and deal with abstract ideas in most cases

## Development Plan

Abstract aptitude can be developed by adopting following strategies:

- **Abstract ideas and concepts:** Give yourself a regular exposure to abstract ideas and concepts. Repeatedly examining information presented in abstract forms in books and newspapers will help you to develop a capacity for handling abstract information and looking for patterns. Try and solve puzzles, games and other forms of analytical material to enhance abstract way of thinking.
- **Patterns and relationships:** Purposefully seek patterns and relationships in things around you for enhancing abstract aptitude and outlook. You should also practice creating diagrams which represent relationships, connections and sequences

 Verbal

1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---

## Meaning

Ability to comprehend words and sentences and deduce meaningful relationship from them

## Expert Analysis

You have an average ability to understand the relationship between words and have a limited ability to convey the required information. You possess an average level of verbal skills like spell words correctly, use correct grammar, understand word meanings, and interpret word relationships. You are often, though not always, able to correctly analyze and understand textual information

## Development Plan

You can use the following strategies to improve your verbal skills:

- **Reading:** You can start reading and analyzing texts, articles and newspaper columns. Challenge yourself with more and more complex material and continue even though you seem to be making little progress because over time, it will show results.
- **Drawing conclusions and inferences:** Try to deduce relationships among various components of the reading material. Try to look for relationships and patterns, drawing conclusions and making inferences.
- **Memorizing word-meanings:** Consciously memorizing word-meanings regularly will also help in broadening your vocabulary base.

## Your Aptitude in Detail

### Logical Reasoning

#### Meaning

Ability to identify and isolate components of an argument to arrive at a complete inference and reach a conclusion

#### Expert Analysis

You have an average ability to apply logical reasoning to solve problems. At times you find it hard to detect the stronger arguments from the weaker ones. At times when you cannot find logical reason to support your stand, you may lean on emotional reasoning or rely on instincts

#### Development Plan

You can develop logical reasoning by practicing following strategies:

- **Play mind games:** You should try playing mind games such as chess, Sudoku, word games and other mystery games and puzzles that are easily available online. This will give you an understanding of the patterns and their individual elements and will help you in developing logical reasoning.
- **Practice & Perform non-routine tasks:** You should regularly practice open-mindedness and must make conscious attempt to figure out relationships among related or unrelated stimuli. Read books on logical reasoning and improve your skills by practicing a wide range of problem types.

### Language Usage

#### Meaning

Ability to understand and use words along with the grammatical rules and structures to produce meaningful-novel sentences

#### Expert Analysis

You have an above average capacity to understand and use words along with the grammatical rules and structures to produce meaningful and complex sentences. Your score also indicates that you have an average ability to detect errors in grammar, punctuation, and sentence formation.

#### Development Plan

Language usage can be enhanced by adopting following strategies:

- **Reading:** Reading extensively enables you to develop an understanding for the components and structures of the language along with developing an understanding of its rules. Read material even on those areas which do not interest you. Slowly progress from easy to more challenging reading material.
- **Writing:** Writing, on the other hand, opens you up to formulating newer combinations of words and putting words to creative uses. Gradually start writing on a wide variety of topics and subjects.
- **Listening:** Listening to the language also improves your language aptitude. Regularly listen to English news or even English songs to enhance your language aptitude.
- **Use of Dictionary:** Develop your vocabulary by regularly using dictionaries and thesaurus. Developing a sound vocabulary base is essential for developing language aptitude

## Your Aptitude in Detail

### Numerical

1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---

#### Meaning

Ability to quickly grasp mathematical functions and to use them to analyze and solve mathematical problems

#### Expert Analysis

You are not able to use numbers & numerical operations rapidly and accurately. You are rarely able to quantify many features of the problem. You find it difficult to quickly grasp mathematical functions and to use them to analyze and solve mathematical problems with high accuracy

#### Development Plan

You can develop numerical ability by adopting following interventions:

- **Mental Imagery:** You have to try making mental imagery of the problems in terms of the numerical values of the elements involved in the problem. Constant effort will be helpful in enhancing numerical/ mathematical ability.
- **Practice and increase comfort with numbers:** You must progressively keep taking different tests on numerical ability to know your current level and further try to progress to a higher level.
- **Computer-simulated mathematical games:** You can try different computer applications, games and mobile apps that are known to enhance numerical ability

### Info Tech

1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---

#### Meaning

Ability to grasp and use principles and concepts of technology and computer programs to solve problems

#### Expert Analysis

You have a very good understanding of the principles and concepts of technology. Your responses indicate that you have high awareness about the basic computer programs and its applications. You are quite comfortable when it comes to dealing with computer software. Your awareness about latest technologies and software is also very high. You are extremely comfortable when it comes to learning about the working of new gadgets or software

#### Development Plan

You have scored well in this trait

## Your Aptitude in Detail

### Mechanical

#### Meaning

Ability to grasp and use mechanical concepts and principles to solve problems

#### Expert Analysis

You are not very skilled at understanding of forces and dynamics. You have limited knowledge and understanding of mechanical and other physical principles. You are not very good in perceiving basic mechanical principles, simple machines, tools, electrical, and automotive facts

#### Development Plan

You can think of developing mechanical abilities by adopting following strategies:

- **Developing sense of physical world:** You should be observant to perceive the physical world around and understand the principle through practical demonstration. You may take coaching or practical science training in subjects like Physics.
- **AV media and 3-D programs:** You can take help of the audio-visual media with 3-D programs to understand scientific principles in depth and learn to apply them to real world problems.
